Juniors have a very busy year. They must plan the Junior-Senior Prom. The first step in that process is raising enough money to pay for the big event. They start the year out with magazine sales. Each class member must contribute time and effort helping out with orders to make enough money for the prom decorations.

Then finally after knowing how money they made, start going through the catalogs to get ideas for theme and decorations. Decisions must be made early so that they can get items ordered and receive them in time for this spring event.

Class officers were President Amy Hoffman, Vice President Erica Lindburg, Secretary John Garrett, Treasurer Mikeal Larson, and Student Council Representative Ryan Sandell.

The Student Senate was organized at the Middle School for planning school projects. They planned one event each month in the areas of school spirit, community involvement and school activities. Among the events held were dances, spirit week and community improvements.

The computer system at the school was upgraded this year to have internet access. This has helped them in looking up information needed much faster for doing reports in various classes.

The administration, teachers, and staff here at Polk-Hordville find this a pretty good place to work. The fact of that statement can be found in the turn over we don't have from year-to-year. There is plenty of experience found within the walls of the three schools that makeup the Polk-Hordville School district.

The hardest element of working at Polk-Hordville would be the staff being divided among the three school buildings. It's hard to communicate with everyone and make sure every person knows what is actually happening during the day.

But overall the staff gets along and is able to carry out the duties required to give every student the quality education that Polk-Hordville is known for.

The 1998 Volleyball team was coached by Marcy Fierstein and assisted by Dan Wolfe. There were no returning letter winners from the previous season, so this year was best described as a rebuilding year. Two seniors, five juniors, eight sophomores, and eight freshmen made up the team.

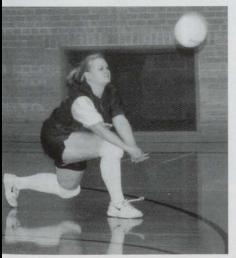

Lots of experience was gained by the team members from being rotated in for play in the front or back rows to find the right combination on the court. The adjustments made during the year will carry over for experience in the years to come.

Homecoming had strong support from parents and lots of participation from the students and faculty. The week's events started with Pajama Day on Monday; Twin Day on Tuesday; Cartoon Day on Wednesday; Formal Day on Thursday; and Red, White, & Blue Day on Friday.

Thursday was a big day, especially for the volleyball girls. There was a pep rally during school to get the girls fired up. The night's game resulted in a two set game victory for the Lady Wildcats against the Benedict Eagles. Following the game the senior parents put on a public pep rally. The effort put into this was incredible and they had everyone in the gym laughing.

There were also numerous games played during lunch

everyday. On Monday, students ate donuts on a rope without the use of their hands. Tuesday, people were blindfolded and searched for worms in a container of jello. On Wednesday, it was boys against girls as they put makeup on each other from behind. Thursday's game was to drop a clothes pin into an empty milk carton.

Friday night gave us a football game facing our opponents, the Omaha Christian Eagles. The final score as 62-0, called at half-time. Royalty was then crowned before everyone headed home. To wind up the busy Homecoming week, a dance followed the football game in Polk. It is hoped that fun was had by all.

#### The Past Is Gone, The Future Is Near

The All-Activities Banquet is a night the students look forward to, but yet dread. They enjoy being recognized for the year's outstanding performances, awards and accomplishments that happened during the year. But, yet the evening gets to be long for them after listening to all the sponsors and coaches summarize their seasons and highlights of the events. The students should be very proud of the accomplishments that were mentioned. Polk-Hordville is full of talented young women and men who have had outstanding performance through out the school year 1998-1999. Congratulations to you all.

Congratulations, you made it!
The best is yet to come.
My thoughts and prayers are always with you.

I love you, Aunt Lori
